

Videosurveillance & Privacy meets Formula one!

Videosurveillance and privacy will be discussed in a conference at Monza Formula one circuit. The Circuit is placed within Monza Park which belongs to the cities of Monza and Milan. The conference will take place on Thursday, May 27, 2010. Admission is free of charge. During the Day the speakers will discuss the issues of new book "Protecting privacy in the "New Videosurveillance" from the Lawyer and University Professor Fulvio Sarzana di S.Ippolito that has been published by Maggioli Publisher in Italy. Protecting Privacy in the New Video Surveillance offers the state of the art from one of the Italian leading researcher and expert in the field. This broad ranging volume discusses the topic from various legal-technical points of view and also examines surveillance from a social perspective.
